Peter Schiff Predicts the US Economic Collapse with Unbelievable Accuracy

Peter Schiff (a former Ron Paul Economic Advisor) versus Art Laffer (a former Ronald Reagan Economic Advisor)

Peter Schiff predicted the current crisis back in 2006. He even wrote a book called "How to Profit from the Coming Collapse". Peter has updated and reiterated his view more recently post the US Bailout last week.

Click on the below YouTube link for a showing of his comments in a live broadcast on 28 August 2006.
